Gala Stage Show For Marin Dads' Halloween Party

Saturday evening, Oct. 30, will see the gates of Marin School Playground swing open for the 16th Annual Halloween Party, sponsored by Marin Dads' Cub, according to Bob Kleinhammer, general chairman of the affair.

Hundreds of gaily costumed children of all ages, accompanied by their parents, are expected to occupy the many chairs and benches, procured by Elliott Lewis, through cooperation of the City of Albany, by 7:15 p. m., when the free movies are scheduled to begin.

A gala stage show has been planned, with the "Three Clowns—Ike, Mike and Moe," plus a giant rabbit, to lend a realistic touch to Jim Barkley's stage arrangements and Ed Combs' electrical hook-ups.

A special feature this year will be Dr. Cleveland, presenting "Chemistry Magic," a wonder show which will be heard in all parts of the yard through the public address system, loaned by Emmett Devine of the Albany Recreation Department.

Even free refreshments, arranged by Bill Dutton, have not been forgotten. Nor has traffic control, in which John Butts has cooperated with the Albany Police Department for safe passage for the visitors after the show.

'Check Heating Units Before Use'—Pimental

With cold weather just around the corner, Fire Chief Fred Pimental this week issued a warning to residents of this city on the proper use and care of heating equipment.

"Chimneys, heaters, furnaces and flues should be cleaned before they are used," the Chief said. "Floor furnaces should be inspected for any collection of lint or foreign material before being used and the outside of fireplace chimneys should be inspected to see that no foliage has grown over the flue, a condition which constitutes a definite fire hazard. Hot ashes from fireplace or stove should always be put in a metal container."

Pimental also warned against storage of combustible material near flues or furnaces. "The storage of paints, varnishes or any volitile oils near heating units is an extremely dangerous practice," he said.

Cornell Dads' Big Halloween Party Tonight

The Cornell Dads Club will once again play host Friday evening, Oct. 29 to all the children of the school at a gigantic Halloween party.

Program chairman Al Liotta and Walt Jones have lined up an evening of fun and entertainment for youngsters and parents alike. There will be movie cartoons and rope and magic tricks. The evening's highlight will be the performance of Si Otis and his trained donkey, Abner. Sponsored by Golden State Dairy Products, these two stars of stage, screen, and radio represent "The Little Prospector and His Performing Mule." Liotta will serve as master of ceremonies.

Refreshment Chairman Jim Scott states that when the show is over, each child will be given crackerjack and ice cream.

Children will assemble on the school yard, starting at 7 p. m. The show will start in the school auditorium at 7:30 and President Elmo Rose urges all children to be present in their costumes for a gala evening.

Albany Soroptimist News

By BEA RAYMOND

The Soroptimist Club of Albany met Wednesday, Oct. 27, for their usual luncheon.

President May Olson opened the meeting and introduced Sue Irwin, Soroptimist of Berkeley and principal of the McKinley school.

Last meeting, Janet O'Keefe became very big-hearted and donated $15 to our charity fund. She had earned the money by singing at a social function. Our club was very grateful to this big-hearted Irish gal.

Martha Hollfelder, Hollfelder's Jewelry, program chairman, introduced her speaker, Miss Inez Johnson of Berkeley, who is employed by Neil Libby of San Francisco. Miss Johnson is an artist and has recently returned from a vacation of five weeks which she spent in Guatamala and Havan, Cuba. She described the customs and the scenic places of interest and the costumes. She brought back a great many pieces of jewelry and wearing apparel which she exhibited.

She passed a port-folio of paintings she did in water color on her trip. When she announced she would exhibit some of her paintings, I am sorry to say I silently groaned for I have seen some very weird paintings called art. But I must say Miss Johnson's paintings were excellent and I, for one, expect to hear of her and her work.

Our new rule of having the timekeeper sound the gong for the end of the meeting was put in effect and we busy bees were very grateful.

O.E.S. Bazaar-Whist

A bazaar and whist will be given by the Albany O.E.S. sewing circle on Oct. 29 at Maccabee Hall, 985 Kains Ave. Score cards will be 35 cents with a prize for every table. The bazaar will start at 10 a. m. and whist at 1:30 p. m. A buffet luncheon will be served.

Members of the Lions Club of Alameda and Contra Costa Counties launch their fifth annual Thanksgiving Seal sale for the blind Nov. 1. Volunteers packing seals for mailing are, left to right, seated, John Marvin, president of Albany Lions; Elmer Stryker, Albany; Lon Harris, West Berkeley. Standing, Al Moran, Berkeley Lions; Jimmie Vaughn, Albany, and Fran Bryan, also of the Berkeley club.

City Health Officer Urges All Residents to Visit Free Chest X-Ray Unit

Dr. Robert T. McMahon, city health officer, today urged all residents of Albany to take advantage of the free chest X-ray offer to be sponsored by the Junior Chamber of Commerce in November.

"It is highly advisable that everyone take advantage of the excellent opportunity of being X-rayed for tuberculosis," said Dr. McMahon. "With the high prevalency of the disease it is urgent that everyone find out whether or not they are affected. Early diagnosis permits an immediate cure. Detection of the disease at a later stage would mean long hospitalization and extensive treatment."

The mobile X-ray unit from the Alameda County Tuberculosis Association will be on Solano Ave. opposite the Albany Theatre Nov. 9, 10 and 12. The unit will move to Dagna's Market, 1382 Solano Ave., and be there Nov. 15, 16, 17 and 18. All persons 15 years of age and older are urged to have an X-ray taken. Hours will be from 2 p. m. until 8 p. m.

Sam Filicetti, chairman of the Junior Chamber of Commerce Public Health Committee, pointed out that instead of following the state and national downward trend, the Alameda death rate from Tuberculosis rose to 33.3 per 100,000 population in 1947. Only about one-fifth of the cases of pulmonary tuberculosis were reported in the early stages of the disease.

"There are no private sanatoria for the care of tuberculosis patients in Alameda County," Filicetti said, "so patients able to pay for their own treatment must go outside the county for institutional care. Those eligible for county care are hospitalized at Highland Hospital where approximately 45 beds are allocated for patients with diseases of the chest, Fairmont Hospital, where there are 48 beds for tuberculosis patients or at Arroyo Del Valle Sanatorium where 275 beds are maintained."

Fire Chief Urges Safe Costumes, Decorations For Halloween Parties

Fire Chief Fred Pimental today cautioned citizens against the use of inflammable materials for decorations or costume wear during Halloween.

State law forbids the use of inflammable decorations at public gatherings unless they are treated by a flame proofing solution.

"This law may seem an inconvenience to some," the Chief said, "but it is for the protection of life and property of persons of this state. Let's not mar a gay Halloween party with the tragedy of fire. Heed this protective law designed to benefit us all.

"Particular attention should be given to children's costumes when a candle is used in lighting pumpkins. This should also apply to the use of candles in the windows of homes."

'Ladies Night' Theme of Post 292 Meeting

By WALTER HOLLAND

It is to be Ladies Night and a joint gathering of Albany Post 292, American Legion and Albany Unit 292, Legion Auxiliary, in the Memorial Building Friday evening, Oct. 29.

This being the season of parties, games, entertainment and elections, the committee in charge under Ed Coulon has lined out a full evening for the Legionnaires and their ladies. Games will take on the spirit of the Halloween season with prizes for skill and foolishness.

The big feature of the evening will be the star acts and performers who will appear during the festivities. Coulon has secured the services of Miss Grace Borel, dansesue of world reknown; Miss Grace Wuelzer, local dancer of great charm and grace and an exponent of the modern dance and Ed Liebrenze, pianist and whistler.

Miss Borel has in the past been associated with some of the famous and well-known ballet companies of the world and is at present a teacher of the art. She says she has appeared before the crowned heads and bald heads of Europe. Liebrenze is presently appearing at Griff's in Albany during the supper hour.

To give the veterans and their families a better understanding of Proposition No. 18 on the November ballot, George Glavinovich, city attorney, on invitation of the Post's Board of Directors, will explain the proposition to the assembled multitude. Commander Carl Waters will also take time to tell about Proposition No. 1 relating to veterans exemptions.

The party will end with dancing and refreshments out of the "ethereal world" (probably cosmic dust and cloud custard), according W. B. Salisbury, "ghost" cook for the evening.

NOTICE

Beginning Sunday, Oct. 31, the Albany Dump will reopen for service throughout the week. Facilities of the dump have been closed to local residents during the week due to traffic congestion at the race track. Hours will be from 8 a. m. until 3:45 week days and 8 a. m. until 12 noon Sundays.

In making this announcement City Engineer E. A. Tarr extended the thanks of his department for the cooperation of citizens in using the Berkeley Dump during the time in which the Albany facilities were closed.

Lions Announce Seal Drive for Blind Center

The fifth annual Thanksgiving Seal Drive, sponsored by Lions Clubs of Alameda and Contra Costa counties, will get under way Nov. 1, according to Dr. Courtice Swallow, president of the Central Committee for the Blind.

Blocks of Thanksgiving Seals have been mailed to residents of the two counties. Proceeds from the sale will be used to build a recreation center for the blind near 40th and Broadway, Oakland. The property was purchased this year from money raised by previous campaigns.

"Our slogan this year is "Be thankful you can see—Give Generously!" said Al Fisher, chairman of the Albany Committee. "It is our hope that all who receive the seals will take this slogan to heart and give as much as they can."

Over 1400 blind persons in Alameda and Contra Costa counties will benefit from the new center as a place to meet with other blind people as well as their sighted friends. They will learn braille, typing, cooking, home nursing, housekeeping and handcrafts of many kinds. There will be devotional services, reading groups and Red Cross units. The center will serve the blind in a field not covered by any government or private agency.

Plans Underway for Police-Fire Whist

East Bay whist players are looking forward to the Albany Police and Fire Civil Service Club's third annual Turkey Whist to be held at the Veterans Memorial Building Nov. 12.

Remembering last year's whist, players from the entire East Bay are expected to be on hand for the larger and better party planned for this year.

Chairman Art Smith has announced that additional room has been promised in the Memorial Building to accommodate more tables and allow for more prizes.

Proceeds from the party will go into the Club's Widows and Orphans Benefit fund.

VFW Schedules Costume Dance for Saturday Night

Halloween costumes will be the order of the evening at the Veterans of Foreign Wars Saturday night dance in the Memorial Building. Prizes will be offered for the best costumed dancers. Refreshments will be served throughout the evening.

Dancers from all over the Bay area have come to look forward to these Saturday night dances sponsored in Albany by the V.F.W. Mabel Christensen's popular orchestra plays music for both modern and old fashioned dances.

COUNCIL DROPS PLANS FOR PARALLEL PARKING ALONG SOLANO AVENUE

Acting upon a request from the University of California, the City Council Monday night adopted a resolution relinquishing city control over buildings on the Gill Tract, a university housing site.

Councilmen Raymond Cleary and Bert Hill opposed the move. Cleary said that "the city is not getting a nickel in taxes for police and fire protection and there might be a chance to get some out of the federal government, where there is no chance at all to get any taxes from the state." Hill said he feared that by giving up control of the buildings the city might lose rights to the property which might in the future be used for city recreation grounds.

With Hill and Cleary voting "no" the resolution passed by a three to two margin.

The council went on record as supporting Proposition No. 18 on the November election ballot. City Attorney George Glavinovich pointed out that this measure is to reimburse cities and counties for taxes lost through exemptions to veteran and church property. He stated that there was little opposition to the measure and that the League of California Cities, the American Legion and the Veterans of Foreign Wars are backing passage of the bill.

A proposed ordinance to ban diagonal parking on the north side of Solano Ave. was tabled until it is changed to require parallel parking only in the block between San Pablo Ave. and Adams St.

O. C. Yenne, former mayor of Albany, thanked the council for abandoning the proposal to change parking all along the avenue. He said such a move would work a hardship on merchants until such a time as parking meters might be installed.

Present at council meeting for the first time in seven weeks Mayor Frank Hays told the audience jamming the chambers that he would let the people of Albany decide the issue of his recall.

He has been charged by a citizen's recall committee with neglecting his duties as mayor by continuing to work in the strikebound Standard Oil Refinery in Richmond.

MORGAN'S MEANDERINGS

By MORGAN THOMPSON

A whooping good time was had by one and all at the Exchange Club's Halloween party last Saturday night at El Molino's in Lafayette. Hi-spot of the evening (next to those steaks) was the awarding of prizes for costumes. Looking like something right out of the Arabian Nights, George Fiderio and his wife strolled off with the prize as best dressed couple. J. O. Asturias, a Berkeleyan dressed as a Tyrolian, was judged best dressed man; Eva Gersh (that Gersh, life of the party) as a clown won a hands-down decision as funniest; Mrs. Mable Young, in the fashion of the 90's won as best dressed woman; Mrs. George Glavinovich and Mrs. Milton Gordon with mops atop their heads came as the Toni twins and won prizes as the most original. The best dressed group was can-can dancers Irene Villa, Dorothy Hamilton, Anita Hill, Irene Cornell and Thelma Moss. . . . Not given a prize but conceded as pulling the prize boner of the evening was George Glavinovich, accompanied by four lovely ladies, who said he had brought along all the "loose ladies" he could find.

Jack O'Leary, a good man to have on your side, is a staunch supporter of John J. Allen Jr. for Congress, so it was not at all surprising that he should have the Congressman as his guest for lunch at The Roberta Monday noon.

Bill Woolworth, "General" of the Albany Community Chest fund drive has a mystery on his hands in the form of a check from one Clinton Hays of Santa Monica. Bill has been unable to find if Hays is or formerly was an Albanyan but he says he is grateful for the long distance generosity of the mysterious contributor.

Warnings on Dumping Of Rubbish Posted

The destruction of signs posted on vacant lots throughout the city has prompted a joint statement from Police Chief Stanley Williams and Fire Chief Fred Pimental.

"These signs were posted by members of the Fire Department," the officers said, "to warn persons against dumping rubbish on lots in violation of a city ordinance. It should be a matter of civic pride for all residents to keep our city clean. We ask the cooperation of every public spirited citizen in Albany in our drive to stamp out the practice of dumping unsightly rubbish on lots. Persons who see children or others destroying these signs are asked to report the incident to the police and warn the vandals against such destruction."

Cod. Employees Plan Dance for Xmas Toy Fund

Federal employees of the Housing Administration of Codornices Village will sponsor a dance Nov. 6 at the Codornices Recreation Center, 1127 8th St. Proceeds will go into a fund to assure Christmas baskets and toys for needy families of the Village.

Tickets are now on sale for $1 and may be purchased from any staff member of the project. For tickets or information call Mrs. Nancy Hawks, LAnd. 5-6677.

Paul Gagnan, chief project carpenter, will again repair and repaint toys to be given to needy children this year. Persons wishing to donate discarded toys are asked to bring them to the Carpenter Shop across from the Administration Building.

Last Christmas, over 600 children received toys and food baskets were distributed to families who otherwise would have had little or no Christmas.

Jaycee's Americanism Committee Seeks Big Election Turn-Out

Members of the Girls League and the Girls Athletic Association at Albany High School will work with the Junior Chamber of Commerce Americanism Committee to further a large turn-out of mothers at the polls on Election Day, Nov. 2. The girls will volunteer as baby sitters after school so mothers of young children may cast their votes.

Phyllis Foley, president of the Girls League, and Eleanor Bakosh, president of the Girls Athletic Association, will serve as "dispatchers" to send girls out as sitters. Mothers desiring care for their children may call LA. 6-3360 or LA. 5-0352. After 3:15, A responsible girl will be sent in reply to the call.

As part of their program to urge voters to cast their ballots, the Americanism Committee sponsored a poster contest among students of Albany High on the theme "Get Out and Vote."

The contest closed Tuesday, Oct. 26, and judges picked ten posters as the best displayed. Winners were Wilden Asp, Deloris Atwood, Barbara Brownell, Walter Hanahan, Gussie Papillon, Donna Verner, Ralph Newton, Barbara Hatley, Don Howell and Nora Stauber.

Judges were City Councilman Bert Hill, Virginia King, head of the Art Department at Albany High; and the three members of the Americanism Committee, Jack McKnight, Bob O'Brien and Jack Lloyd.

The posters will be displayed in store windows throughout Albany.

Enrollment Opens For Classes in Textile Painting

The popular classes in textile painting, under the direction of Mrs. Dorothy Jace, are again open for new enrollments at the Albany Evening High School, 603 Key Route Blvd. An evening class will be held each Monday from 7 to 10, starting Nov. 1; a day class, each Tuesday from 9 to 12, starting Nov. 2nd.

Textile painting is a simple craft that can be learned in from 6 to 8 lessons. Those who enrolled in the course in September are now completing it, and that is the reason the new classes are being started at this time. A number of people are presently using this craft to good advantage in making Christmas presents.

Instruction in the painting of handkerchiefs, scarfs, neckties, curtains, draperies, towels, luncheon sets, and baby articles will be included in the course. The dyes used are adaptable to most materials, from chiffon to canvas.

All the necessary paints and brushes can be purchased for approximately $6. Provision will be made for those interested to purchase their supplies in the classroom.

"From his early youth, the champion of the underprivileged and the oppressed"—so reads the citation with which Dr. Gallagher's work in race relations was recognized in 1943, when, with the late Wendell Willkie, he received an honorary degree from Oberlin College, Ohio.

M'Gregor School Will Have First Halloween Party

Plans for a Halloween parade and party for the children of the C. M. MacGregor Elementary School were announced for Friday by Miss Anita Van Matre, assistant principal, at a meetine of the MacGregor P.T.A. on Thursday evening, Oct. 21.

Eugene Baker, principal, was the speaker of the evening. His subject was "The Importance of Personal Adjustment in the Elementary School Child."

He urged a warm personal relationship between the child and his parents to give the child a "daily ration of praise and love."

C. M. MacGregor, founder of the school, was voted an Honorary Membership in the MacGregor P. T. A.

Refreshments and a social hour followed the business meeting. Mrs. Tony Skerl headed the refreshment committee which served coffee and homemade cup cakes.

Sale of Prize Steer At Livestock Show to Aid Children's Hospital

For the second consecutive year, charity will be keynoted at San Francisco's Grand National Livestock Exposition when Acacia II, a 15-months-old Hereford steer, will be auctioned off to help improve and enlarge the Children's Hospital of the East Bay.

Prior to his sale on November 5 at the Cow Palace, Acacia II—who will be a yearling steer by sale-time—will be on display in various parades and on the Exposition grounds.

Sponsored by the Acacia Branch, one of 40 branches which enroll 1500 women who act as "godmothers" to the hospital, Acacia II—like his predecessor—was bred by William Sidley of the Silver Spur Ranch in Encampment, Wyoming. He was bought in January by Harvey McDougal, Manager of Fontana Farms in Collinsville, California, at the Denver Stock Show where he was one of the "Grand Champion Pen of Feeder Calves."

The young steer is being raised as a 4-H project by McDougal's son, Dick, who is a member of the Rio Vista club and who groomed Acacia I for last year's Grand National.

Again in charge of the sale for the Acacia Branch is Mrs. Arthur K. Beckley of Berkeley, California.

Barassi-Fennone Nuptials Read By Candlelight in Early September

Wedding vows were spoken by Tony Barassi and Stella Fennone in a candlelight ceremony at the Little Chapel of the Flowers in Berkeley on Sunday, Sept. 12 at 4 p. m. A. D. Fennone escorted his daughter to the altar.

The lovely bride wore an old fashioned off the shoulder gown of pale pink heavy satin with long fitted sleeves, pointed at the waist and a long train on the gown. Her finger tip veil was edged in lace and she wore a beaded Mary Stuart crown. Her bouquet was a spray of blue delphinium with a center of orchids.

Mrs. Carmela Hruska, sister of the bride, served as matron of honor. She wore an ice blue satin off the shoulder gown with a bustle back and a large picture crownless hat. She carried a spray of pink bouvardia and sweet peas with an orchid center.

Bridesmaids were Mrs. Marie D'Augusta of San Francisco, sister of the bride; Mrs. Lucille Mendolari, sister of the groom. Both were gowned in ice blue satin with cap sleeves, sweetheart necklines and full skirts.

Tony chose his brother, Arthur, as best man. Ushers were George Anderson, brother-in-law of the groom, and Paul Hruska.

A dinner for the immediate family at the bride's home, 806 Cerrito St., and an 8 p. m. reception at the Finnish Brotherhood Hall, Berkeley, followed the ceremony. The newlyweds honeymooned at Lake Tahoe and are now living at 1236 Portland Ave.

Stella is the daughter of Mr. and Mrs. A. D. Fennone. She attended schools in Crockett. Her husband was born in Albany and graduated from Albany High. He has been employed for the past eight years in the accounting office of the Standard Oil Company of Richmond.

Carol Babros Culbertson, pianist, and Roy Culbertson Jr., tenor, will present an evening of music Friday, Oct. 29, at 8 p.m. at the First Baptist Church of Albany.

Young Couple to Present Evening Of Voice, Music

An evening of music will be presented by Carol Babros Culbertson, pianist, and Roy Culbertson Jr., tenor, at the First Baptist Church, Solano and Pomona Aves., Friday, Oct. 29 at 8 p. m.

Piano selections will include compositions by Bach, Ravel, Poulenc, Chopin, and Liszt. Culbertson will sing selections by Handel, Pergolesi, Giordani, Puccini, Meyerbeer, Lehmann, Greig and Dovark.

Mrs. Culbertson is a student of Harold Logan, well known pianist and teacher of Berkeley and San Francisco. Her husband studies voice with Lawrence Strauss of San Francisco.

The young couple have been active in various music clubs and organizations in San Francisco and the Bay Area and have been soloists and choir members of the First Baptist Church of Albany for several years.

The program is open to the public.

Anybody Seen 'Joe'?

When "Joe," a part-Siamese cat, owned by Mrs. C. A. Martin of 612 San Miguel Ave., escaped from the Berkeley Dog and Cat Hospital on July 23 he set in motion what has probably become the most extensive animal hunt in Bay Area history.

Since the day "Joe" disappeared, Mrs. Martin has advertised in most of the local daily and weekly papers and has looked at dozens of black cats fitting the general description of her beloved pet.

"Joe" is solid black except for a diamond-shaped white spot in the center of his chest, a white spot behind his front legs and one between his hind legs. Mrs. Martin is offering a reward for information on her pet. Her telephone number is LA. 5-5715.

Past Ten Years Bring Quarter Million Gain In Coast Telephones

In the last ten years, the number of telephones in service in the Pacific West has doubled, it was announced recently by the Pacific Telephone and Telegraph Company. A gain of more than a quarter of a million telephones in the company's coast-wide territory thus far in 1948, has brought the total to an all-time high of 3,659,000.

R. E. Flynn, local manager for the company, said that the increase this year is about five and a half times that of the corresponding period in 1938, when a gain of 45,800 telephones was recorded. Ten years ago—after 60 years of operation—the company had 1,829,000 telephones in service.

Flynn said, "More than a million of the 3,659,000 telephones were added since V-J Day, reflecting the tremendous development of the coast, and the all-out effort of the company to provide service for the huge demand. Construction expenditures of the company during the present record expansion period are running at the rate of a half million dollars every day."

CHRISTIAN SCIENCE CHURCHES

"Everlasting Punishment" is the subject of the Christian Science Lesson-Sermon for Sunday, October 31, with the Golden Text taken from Galatians: "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap" (6:7).

The following citations are included in the sermon:

The Bible: "Sing, O ye heavens; for the Lord hath done it: shout, ye lower parts of the earth: break forth into singing, ye mountains, O forest, and every tree therein: for the Lord hath redeemed Jacob, and glorified himself in Israel" (Isaiah 44:23).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "For victory over a single sin, we give thanks and magnify the Lord of Hosts. What shall we say of the mighty conquest over all sin? A louder song, sweeter than has ever before reached high heaven, now rises clearer and nearer to the great heart of Christ; for the accuser is not there, and Love sends forth her primal and everlasting strain" (p. 568).

Grace Lutheran Ladies Aid Society to Hold Annual Sale, Social

A 1 o'clock luncheon will open the annual sale and social sponsored by the Ladies Aid Society of Grace Lutheran Church on Thursday, Nov. 4. The affair will be held in the Parish Hall, Santa Fe Ave. and Ward St., El Cerrito.

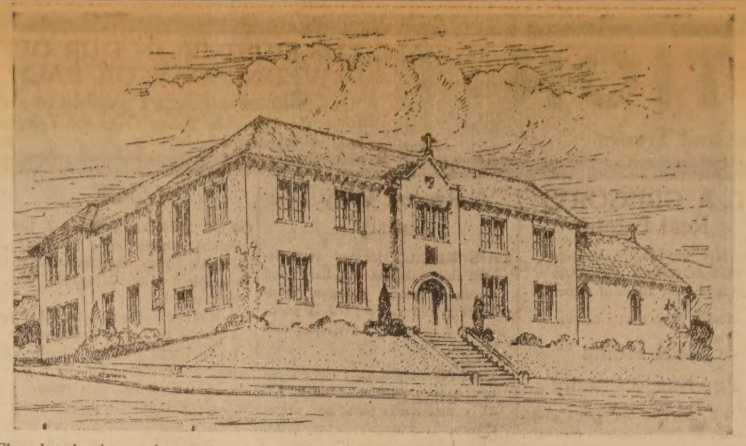

There will be refreshments throughout the afternoon and a cafeteria-style dinner will be served from 6 to 8 p. m.

The sale will feature items appropriate for Christmas gifts, wedding showers and birthdays. Beautifully embroidered lunch cloths, pillow cases and towels are just a few of the many articles to go on sale.

The food table will offer a wide assortment of homemade cakes, cookies, pies, salads and hot dishes. Dart games will afford amusement for young and old.

Mrs. Edna Zeigenfuss, chairman, has selected the following co-chairmen to work with her: Mrs. Cordula Schinnerer, in charge of fancy work and towels; Mrs. Myrtle Thomas, aprons; Mrs. Martha Nobis, food table; Mrs. Esther Evans, white elephant table and Mrs. Anita Leschof, dart games.

Mrs. Peggy Nuss is chairman of the luncheon and Mrs. Alice Lehmkerhle of the dinner. Mrs. Bertha Janke and Mrs. Marion Carsten are on the reception committee.

The sketch above shows the proposed new convent house for the Dominican Sisters of St. Mary Magdalen parish. With the slogan "no sacrifice too great for the sisters and for our children," a fund-raising campaign for the new convent and for improvements for the School of the Madeleine will be launched Monday at the parish hall. The affair commemorated the 25th anniversary of the founding of the parish. GAZETTE PHOTO

Millinery and Gift Making Classes for Adults Scheduled

An afternoon class in millinery and gift making is being offered adults each Wednesday from 1 to 4 at the Albany High School building. Instructor Elizabeth Darling will include in her course practical and theoretical aspects of making attractive hats, hat accessories and gifts.

The class will be organized so students may devote all their time to making gifts or hats, or part to one and part to the other. The class is run on an individual project basis so that each person enrolled works on her own particular hat, matching bag or other article.

Miss Darling, who has been teaching millinery in the Albany Evening High School for several years, will offer instruction in millinery and millinery accessories, sequin and bead work, all types of embroidery, beaded bag loom weaving, and the construction of cloth flowers, quilted bedroom slippers and lamp shades.

OPEN 'TIL NINE

Starting Monday, Nov. 1, the A-Dee Square, 1369 Solano Ave., will be open from 7 to 9 evenings.
